UWSS Inc

Finance & Audit

Committee

Meeting

Wednesday, November 26, 2025
9:00 am
1615 Union Ave, Ruthven WTP
Board Room

MINUTES

Directors Dennis Rogers
Mike St. Amant
Tom Kissner - absent
Wayne Wharram
Lori Atkinson

Also in Attendance: Rodney Bouchard, UWSS Inc. Chief Executive Officer
For UWSS Khristine Johnson, UWSS Inc. Office Administrator (Recording
Secretary)

Guest The CFO Nazzani, CPA, CA Capital Assist Valuation

Call to Order: 8:58 am

Welcoming Remarks:

Chair Rogers calls the meeting and welcomes everyone.

Disclosures of Pecuniary Interest

There are none.

Adoption of the Minutes of October 17th, 2025

No. FAC-18-25

Moved by: Director Atkinson

Seconded by: Director St. Amant

That the Minutes of the Finance & Audit Committee of October 17th, 2025 are approved and shall be brought forward on the next Board of Directors meeting

Carried

Business to Discuss

The CFO then takes over the meeting presenting the financial updates since the last meeting. She reviews the items that will be discussed at this meeting. Noting that they are not seeking approval for the budget at this meeting, but a good review and discussion,

Minutes of Union Water Supply System Inc. Finance & Audit Committee

Date: November 26, 2025

Page 2

with the intent of presenting to the Board of Directors in January 2026. She indicates that another Finance & Audit Committee (FAC) meeting will most likely be required prior to bringing to the Board.

The CFO then reviews the Income Statement, noting that Leamington's flows are slightly higher than budgeted for, however most of the municipalities are on budget for 2025. She reminds members that the water loss is billed at 3%. She notes that income investment is lower than budgeted for, and that is due to fluctuating investment rates with the financial institution. Director Atkinson seeks clarification on this item, and there is confirmation that it is based on a variable rate.

Director St. Amant asks why Lakeshore's revenues are down so much. The CFO explains that the budget was based on historical flows, however, over the last year, it has been determined a large number of leaks in Lakeshore have been repaired and therefore, the actual flows are determined to be much lower.

There is a small discussion on shares and how they are determined every four (4) years. Chair Rogers asks if this determination coincides with terms of council. The CEO indicates he will have to speak with legal counsel to see if this determination can occur in between terms of council.

The CFO then reviews the remaining operational expenses and where some items might be carried over into the new year, and where there could be variances.

The Chair asks for an update on the OCWA contract negotiations, the CEO notes that he has a scheduled meeting in two (2) days, they are working on several new items within this contract, including new reporting and other areas of interest. For those reasons, this process has taken longer than anticipated. He is hoping to have something in place in January or February 2026, with the contract being backdated to January 1st, 2026.

The CFO turns attention back to reports and notes that salaries and wages are lower than budgeted for and that is due to timing of potential new hires, wherein the additional employee was not realized in 2025. The CEO notes that the HR study is almost complete and will be presented to both the FAC and Governance Committee. The CEO does not anticipate any retroactive salaries to be paid out for 2025.

No. FAC-19-25

Moved by: Director Wharram

Seconded by: Director St. Amant

That the financial results to October 31, 2025 are received;

Carried

The CFO moves on to preliminary 2026 UWSS Inc. Budget. She notes that tracking is now by class indicators and this allows for more precise numbers. There is some discussion about breaking out some of the numbers to show a few more line items, to allow for a more granular appearance and more details.

Minutes of Union Water Supply System Inc. Finance & Audit Committee

Date: November 26, 2025

Page 3

The CFO notes that she can certainly do that for the FAC but feels that the consolidated numbers will be presented at the Board level. There is agreement with this sentiment.

She moves on to discuss cash funded vs debt funded projects. Director St. Amant seeks clarification on a few items, specifically the Reservoir #3 and the amount left to spend prior to year end. The CEO explains the invoicing schedule, and it is anticipated that \$11.5 million will be spent prior to year end.

There are further questions and discussions surrounding the preliminary budget and some key projects and capital upgrades are reviewed. The Chair asks for clarification and information on the County Rd 34 watermain project.

With that the discussion then turns to the UWSS-WUC Redundancy Project. The CEO notes that he will need to set up a meeting with the municipalities to discuss this item. Director Atkinson feels that the budget suggested at the last board meeting for this project should at least be included in the preliminary budget to allow for discussion to be had. The CEO then discusses the benefits and the third-party analysis.

Director St. Amant feels that a briefing note to the Board might be beneficial, with Director Wharram noting that UWSS Inc.'s mission statement should be reiterated at the same time.

Director St. Amant provides direction, regarding the UWSS - WUC Redundancy Study, to the CEO as follows:

- The CEO shall provide the incremental costs to the UWSS Inc. Board;
- The 3rd party financial analysis shall be completed by February or March 2026, with results brought back to the FAC for discussion and review;
- Following the detailed review and analysis at the FAC the CEO shall provide the Board of Directors with recommendations to potentially move forward;
- The CEO shall reach out to the Board of Directors to obtain their thoughts on this study.

The CFO notes that the carry forward items from 2025 will be moved into the 2026 budget presentation. There is a discussion on Lifecycle costs, treatment and transmission costs, CPI adjustment numbers, the new wholesale water rate for 2026 and the agriculture rate. The draft new wholesale water rate for 2026 is expected to be \$ 0.8555 m³

There is a brief discussion on how this will impact residents and the agricultural sector. However, it is noted that the increase came in less than anticipated and there is still room for growth when looking at the flows. The discussion turns to the five-year horizon and what can be expected in the coming years.

Director Atkinson was clarification on other income presented and why it drops so much in the years ahead. There is a discussion on the rental income and the farm property and the plans going forward. The CEO notes that UWSS Inc. is in the process of severing the property.

Minutes of Union Water Supply System Inc. Finance & Audit Committee

Date: November 26, 2025

Page 4

Director Atkinson feels strongly that UWSS Inc. should be working on an Investment Policy. She provides Direction to the CEO to proceed with completing the Investment Policy for UWSS Inc.

The CFO moves back to the reports and finishes up her discussion on the budgetary items which include the operating costs. She then moves on to briefly discuss the renumeration for the Board of Directors and how that might look moving forward. This item will also be presented to the Governance Committee.

Director St. Amant seeks clarification on insurance for UWSS. The CEO describes insurance UWSS carries and some that OCWA carries.

No. FAC-20-25

Moved by: Director Atkinson

Seconded by: Director St. Amant

That the UWSS Inc. 2026 Preliminary Budget is received;

Carried

No. FAC-21-25

Moved by: Director Wharram

Seconded by: Director Atkinson

That the comparison of 2025/2026 Budget is received;

Carried

Reserve Policy

Due to time constraints the CFO suggests that she share with the FAC members the Reserve Policy and seek comments back to discuss at the next meeting. Director Wharram suggests that the Investment Policy should be completed first. Director St. Amant asks if there is any urgency, from the Auditors, to complete either policy. The CFO confirms that there have been no instructions from the auditors.

Adjournment

No. FAC-22-25

Moved by: Director Atkinson

Seconded by: Director Wharram

Time adjourned: 11:01 am

Date of Next Meeting: January 14, 2025 at the Ruthven Water Treatment Plant
