

NOTICE

Demolition of Greenhouse Infrastructure

1529 Union Ave, Ruthven, ON

This is to notify the residents in Ruthven, Ontario that the Union Water Supply System Inc. (UWSS Inc.) is moving forward with the removal of the greenhouse infrastructure and associated warehouse at the property located at 1529 Union Ave. Ruthven, ON. This work is being completed to allow for the construction of a new drinking water reservoir at this property. UWSS Inc. purchased this property in 2021 for this purpose.

UWSS Inc. has retained a greenhouse installation/removal contractor to remove the greenhouse infrastructure. This work will be starting the week of June 24th, 2024, and will take approximately 6-7 weeks. Upon removal of the greenhouses, a demolition contractor will be retained to remove the warehouse. It is anticipated that excavation works for construction of the new reservoir will begin in October 2023.

As is typical of demolition/construction works, some noise, dust and increased traffic is to be expected. UWSS Inc. is committed to making sure that residents and businesses near the demolition and construction works experience as little disruption as possible.

UWSS Inc. administration will endeavor to keep Ruthven residents and the public at large informed on the progress of this reservoir project. Project updates will be posted regularly on our website www.unionwater.ca

Please direct any questions or concerns to info@unionwater.ca .

Sincerely,

Rodney Bouchard
General Manager & CEO
Union Water Supply System Inc.
